#### Wisconsin Department of Transportation (WisDOT)

WisDOT administers the Local Program for the Federal Highway Administration (FHWA), and as a result, serves as the single point of contact for communication with FHWA. WisDOT coordinates with and oversees the MC. WisDOT's regional representative is the Local Program Project Manager (LPPM), who is the liaison for all WisDOT internal communications.

Responsibilities include to:

- Provide design approvals
- Verify scope, schedule and budget
- Approve project scope and funding modifications

### Federal Highway Administration (FHWA)

FHWA provides funding for the local program.
FHWA maintains certain approval responsibilities and has delegated certain responsibilities to WisDOT through their Federal Aid Oversight Agreement. FHWA provides oversight of WisDOT's administration of the local program. For further information, see Federal-aid Essentials for Local Public Agencies at www.fhwa.dot.gov/federal-aidessentials
